Program spring 2012
pre-announcement

Don't ask what the world needs. Rather ask what makes you come alive; then go and do it. Because what the world needs is people who have come alive.

(Howard Thurmon)

You are an adventurous, conscious, leading edge woman, a leader in your field. You know clearly that your life is to be lived, not survived. An inner calling is nudging you and you feel it is time to move on. You want to feel good about the choices you make.

This True Leadership Experience will provide you with a deep understanding to trust yourself and your life's choices. This three months program includes a one week journey to Jordan (Wadi Rum - Petra - Dead Sea).

Teaser-info meeting on January 26th in Wageningen, 19:30–22:00
